CHAMPAGNE BOTTLE

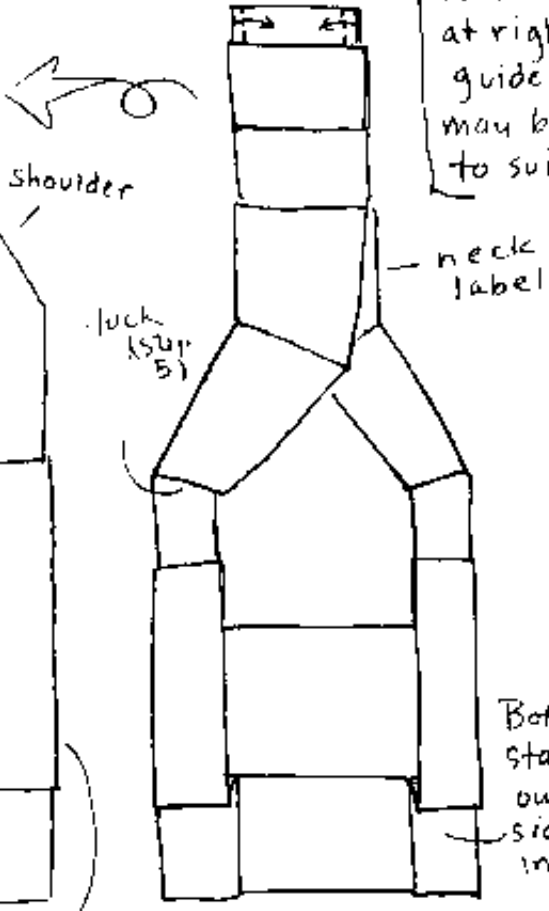

A 10" square yields a 6 1/2" tall bottle.

- ① Fold a square in thirds, white side inside, seam under.
- ② Parallel-pleat as shown at right.
- ③ Turn over. Fold sides in about 1/2 - 5/8" on the lower half. Leave loose at middle.
- ④ Fold top in thirds to form neck.
- ⑤ Where steps 3 + 4 meet, stretch the neck label pleat. Shape each shoulder with a tuck.
- ⑥ Narrow sides of cork + turn over.
