- 10 COMPOUND MOVE: two rabbit ears.
VF in order (not as hard as it looks).
a) VF lower edge up to meet junction (overlap) of flaps from steps 7+8.
b) Pinch on step 9b's pre-crease.
c) VF from junction of (a) & (b) up to where red paper meets white paper.
Repeat a-c on the right.

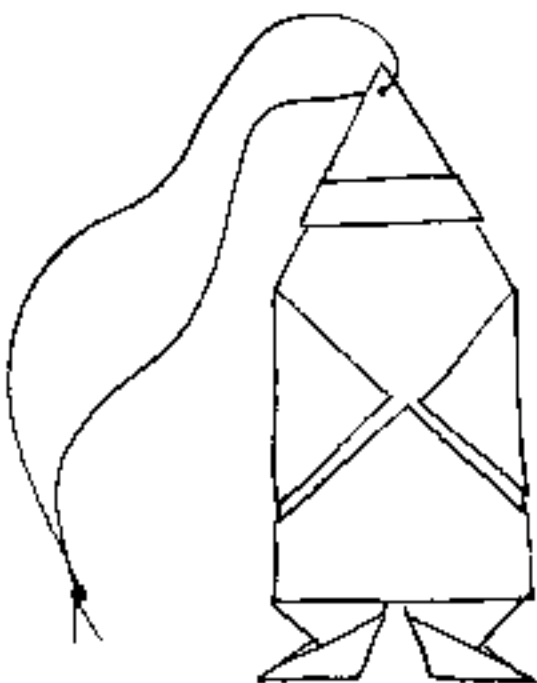

11 Flip model over.

12 Pre-crease both lower flaps and ORF to form feet.

13 Santa will stand up - adjust angle of feet. Or thread through hat.

Draw face and beard, if desired.
