98

Start with a 6" square of foil paper.
Cut it into four equal strips of 1 1/2" x 6".
Set aside two of them.

① Pinch the half on each short side. VF long sides to the pinches.

② Fold a second strip the same way + insert one into the other.

③ Pre-crease in half. Pre-crease 1/4s and 1/8s.

⑤ Pleat 7x (about 5/16" deep)

⑩ VF + repeat 7-10 at left + on all pleats.

⑨ VF using step 8 to form a squish fold.

⑧ a) Pre-crease, bisecting angle, + b) return flap to former position.

⑦ More enlarged view of lowest section. Lift flap.

⑥ Enlarged view of lower half.

Strand of Tears p. 2

11 Rabbit-ear top section.

12 VF over twice - leave flap perpendicular to rest of model. Thread through this thick flap to hang strand of tears on tree.
